Field Trip

Please check your child's weekly folder for information about a grant Mrs. Mitchell won!

1. Please give us your child's t-shirt size by 1/20/17. Mrs. Mitchell will turn in the information this Friday.
2. Please let us know if you are interested in being a chaperone. We need at least 3 for a successful trip.
3. Please turn in the WCPSS and the Apple Store permission forms by 2/3/17.

Scholastic Reading Clubs

If you wish to order from the January or the Voice Book Clubs, please send money (**exact cash**, money order, or check) and the order form to school by 1/20/17. Another option is to pay online. The online class code is **GK9J4**.

Leaving School Early

If your child is leaving school before 3:45, please write a note stating the time you're picking up your child. We don't need to know where your child is going--just that he/she is leaving early. If we know ahead of time your child is leaving early, we can have her/him prepared with necessary materials.

Moon Watching/Assessment

Please have your child continue to watch the moon and study the science poster for homework. He/she will be given a quiz on the phases of the moon on Friday, 1/20/17.

Empty Cereal Boxes

Please have your child bring her/his empty cereal box to school by 1/23/17. Please do not break apart the boxes since they need to retain their shape. Both classes are ready to start the special activity.

Earbuds

Please make sure your child has earbuds or headphones for school. We use the iPads and the computers daily, and your child benefits more by having this device to better hear what's being projected on the iPad or the computer.

Global Math Task Challenge

Congratulations to **Shanell** for creating a solution to last week's Global Math Task Challenge! Her solution was $(8 \times 7) - (8 \times 4) =$
Here's the URL to her solution:

Please fill out and return in your child's folder.
