## Showcase of Learning

Mark your calendars!! The Third Grade Student Showcase of Learning is on Friday, February 10<sup>th</sup>, from 10:00-10:30. You are invited to come see how your child is using creativity, critical thinking, collaboration, and communication in class.

## Curriculum

### Reading

- Students will determine the meaning of words and phrases as they are used in a text, distinguishing literal from nonliteral language.

### Writing

- Students will form an opinion about a topic and write to support their opinion.

### Math

- Students will multiply by multiples of 10.
- Students will use the associative property, commutative property, or distributive property to solve equations/word problems.
- Students will solve word problems that have multiple steps.

### Science

- Students will recognize major components and patterns observed in the earth/moon/sun system.

## Congratulations!

Congratulations to Ms. Hotaling's homeroom and Mrs. Mitchell's homeroom for reaching the first Falcon Buck milestone! Both classes have earned 250 Falcon Bucks!

## Multiplication Facts

We have worked on all multiplication tables. Please continue to work daily with your child on learning/retaining their multiplication facts.
