Apple Store Field Trip

Both homerooms are in need of chaperones! Please let us know if you are interested. We need at least 3 for a successful trip. If you are able to chaperone and your volunteer registration form has cleared, please write us a note. We would love for you to join us.

- ♥ Mrs. Mitchell---February 15
- ♥ Ms. Hotaling----February 22

Please turn in the WCPSS and the Apple Store permission forms by 2/3/17. These forms must be filled out and submitted in advance of the trips. Thank you.

Scholastic Reading Clubs

Two different Scholastic Reading Club orders (Lucky February and 3rd Graders February) are enclosed in your child's weekly folder. If you wish to order, please send money (**exact cash**, money order, or check) and the order form to school by Friday, February 10th. Another option is to pay online. The online class code is **GK9J4**.

Earbuds

Please make sure your child has earbuds or headphones for school. We use the iPads and the computers daily, and your child benefits more by having this device to better hear what's being projected on the iPad or the computer.

Global Math Task Challenge

The object of the challenge is to make the number 24 from the four numbers on this Twitter post. You can add, subtract, multiply, and divide. You must use all four numbers from the Twitter post. However, you can **ONLY** use each number **ONCE**. Numbers should not be combined to make 2-digit numbers, but used as their values in the ones place.

Can your child figure out a solution? Let her/him give it a try for homework! **Turn in all solutions to Mrs. Mitchell on Thursday, February 2nd**. Please let Mrs. Mitchell know if she may "tweet" out your child's solution.

Leaving School Early

If your child is leaving school before 3:45, please write a note stating the time you're picking up your child. We don't need to know where your child is going--just that he/she is leaving early. If we know ahead of time your child is leaving early, we can have her/him prepared with necessary materials.

Please fill out and return in your child's folder.
