CogAt Test Scores

Your child's CogAt score was sent home last Friday. The paper is for you to keep.

Where is Super FRES?

Super FRES is our paper falcon, and we need your help to have him travel around the world!

Are you or anyone going to travel within the US or out of the US? If so, please carry Super FRES with you and take a picture of him at some famous landmark. You can email the picture of Super FRES/landmark or give us a hard copy.

Once we receive the paper Super FRES and picture from you, the information will be shared and the picture will be placed on the map that's in the school hallway.

Thanks in advance for any help you can give with this school project.

Math Assessments

Whenever your child's math assessment goes home, please sign and return. Once Mrs. Mitchell has seen your signature, she will return the assessment. Thank you.

Multiplication Tips

$$2 \times 4 = 8$$

factor x factor = product

- First factor----Number of groups
- Second factor--Amount in each group
- Product--total (not the answer)
- 2×4 is the same as 2 groups of 4 (2 groups with 4 in each group)
- $4 + 4$ (repeated addition)
- When working with arrays,
First Factor----Number of rows
Second Factor--Number of columns
- Product-----Total amount in the array

Happy Thanksgiving!

We wish you and your family a happy, safe, and relaxing holiday! There is no school on November 23rd, 24th, and 25th. Please encourage your child to read and work on learning multiplication facts during the Thanksgiving break.

Mrs. Mitchell and Ms. Hotaling

Please fill out and return in your child's folder.

Child _____ Parent _____

I have received Hotaling/Mitchell's Extra Edition for the week of November 14th.
