3rd Grade Math Night

Please join us on November 15th, from 5:00-5:45 for Math Night! Third grade teachers will provide an interactive presentation. Please let your child's teacher know if you plan to attend so we can prepare enough materials for this event.

Curriculum

Reading

- Students will describe characters in a story (traits, motivations, or feelings) and explain how their actions contribute to the sequence of events.

Writing

- Students will continue to work on forming an opinion about a topic and writing to support their opinion.

Math

- Students will explore equal groups and arrays.
- Students will use arithmetic patterns and other strategies to help solve multiplication and division problems.

Social Studies

- Students will find absolute and relative locations of places within the local community and region.
- Students will compare the human and physical characteristics of places.

Reminders

- ✓ CogAt scores went home last Thursday. If you didn't get your scores, please contact your child's teacher.
- ✓ Please continue to send Box Tops. Go to <http://bit.ly/2fiHsrS> for a complete list.
- ✓ It's not too late! Please join the Parent Teacher Association (PTA). Dues are only \$5 for individual, \$8 for a family, and \$20 for family membership plus (includes \$12 additional donation)!

Happy Thanksgiving!

We wish you and your family a happy, safe, and relaxing holiday! There is no school on November 23rd, 24th, and 25th. Please encourage your child to read and work on learning multiplication facts during the Thanksgiving break.
