Curriculum

Reading

- Students will recount fables, folktales, and myths to determine the moral or lesson of the text.

Writing

- Students will work on opinion writing. They will form an opinion about a topic and write to support their opinion.

Math

- Students will explore equal groups and arrays.
- Students will use arithmetic patterns and other strategies to help solve multiplication and division problems.

Social Studies

- Students will find absolute and relative locations of places within the local community and region.
- Students will compare the human and physical characteristics of places.

3rd Grade Math Night

Please join us on November 15th, from 5:00-5:45 for Math Night! Third grade teachers will provide an interactive presentation. Please let your child's teacher know if you plan to attend so we can prepare enough materials for this event.

Reminders

- ✓ All schools will open on a two-hour delay on Tuesday, Nov. 8th. Some schools are used as an election site.
- ✓ We're still collecting money for the Scholastic News magazine.
