December 19, 2016

Dear Families,

Good evening! Please mark the following dates on your calendars.

- ◆ 12/22-1/2 Winter Break
- ◆ 1/3 Return to school

Thanks for sending all the supplies for our Celebrations around the World unit and the canned food drive. We appreciate all of the things you have done to make this a wonderful third grade year!

Over the break, please encourage your child to work on the following:

- filling out the moon chart. Please continue to look at the moon. We'll discuss observations/patterns when we return to school.
- learning the multiplication facts. Multiplication.com (www.multiplication.com) provides plenty of ways to practice multiplication.
- reading fiction/nonfiction material. Big Universe (www.biguniverse.com) and Tumblebooks (www.tumblebooklibrary.com) provide access to fiction and nonfiction books for your child to read. The username and password were already given. If your child doesn't remember his/her password and you need another reminder, please send email to khotaling@wcpss.net or rpmitchell@wcpss.net.
- writing at least 2 paragraphs about a topic of choice or a topic given--taking care to use correct capitalization, punctuation, and spelling.

In conclusion, we want you each to know that we feel so lucky to have your child in our classrooms this year. We have really grown into our own little family, and we thank you for trusting us with your third grader. We wish each and every one of you a very safe, happy and peaceful holiday season with your families. We look forward to seeing you in 2017!

Sincerely,

Mrs. Rhesia Mitchell and Ms. Kelly Hotaling
