Global Math Task

Two students from Ms. Hotaling's homeroom and one student from Mrs. Mitchell's homeroom solved last week's Global Math Task Challenge!! Way to go guys!!! Here are their solutions.

- 📖 Christian M. $(4 \times 4) + 8 \times 1 =$
- 📖 Kamari $(8 \times 1) + (4 \times 4) =$
- 📖 Mathew $(4 \times 4) + 8 \times 1 =$

The Global Math Task Challenges allow the children to apply mathematical reasoning and problem solving. These tasks present an opportunity for children to work on critical thinking skills. We will continue to present more of these challenges in the future.

Dr. Seuss Trivia

On March 2, 2017, Dr. Seuss would have celebrated his 113th birthday! Each year Read Across America is celebrated on this day! In honor of this yearly event, we have Dr. Seuss trivia questions.

Each day we will have a trivia question that's due the next day. If your child is interested, he or she should write his/her name and the title of the book on a sheet of paper and turn in to Mrs. Mitchell the next morning.

- 📖 **Monday's Trivia**--Sam would not try them. He did not care. He would not try them anywhere. Finally to be left alone, he tried them-though not at home. He learned he loved them everywhere. He wanted them all the time and did not care where.
- 📖 **Tuesday's Trivia**--Look in the Third Grade newsletter.
- 📖 **Wednesday's Trivia**--This character used the greatest of care and stretched his trunk through the air. He lifted the dust speck and carried it over. He placed it down on a very soft clover. This book was made into a movie, and some people thought it was groovy.
- 📖 **Thursday's Trivia**--If you take a look, Thing 1 and Thing 2 can be found in this book. There's also a cat who has tricks up his hat. It was a cold, wet day when the cat came to play with Sally, the boy, and the fish.
- 📖 **Friday's Trivia**--Think left and think right and think low and think high. Oh, the Thinks you can think of if only you try!
