## Dates

- 2/28 Math Night
- 3/1 White/Peterson to Apple Store
- 3/3 Cookie Dough Fundraiser ends.
- 3/8 Mrs. Joyner's Class to Apple Store
- 3/13 Pasta for Pennies begins.
- 3/15 Ms. Johnson's Class to Apple Store
- 3/22 Picture Day

## Math Night-Fractions!

Join us for Math Night! Third grade teachers will provide an interactive presentation about fractions from 6:00-6:45 in the media center! Please let your child's teacher know if you plan to attend so we can prepare enough materials.

## Curriculum

### Reading

- Students will refer to parts of stories, dramas, and poems when writing or speaking about a text, using terms such as chapter, scene, and stanza. They will describe how each part builds on earlier sections.

### Writing

- Students will work on informational writing.

### Math

- Students will find the area and perimeter of quadrilaterals and rectilinear figures.
- Students will solve problems involving area and perimeter of polygons.

### Social Studies

- Students will explain how location impacts supply and demand and how locations of resources influence economic development.
- Students will understand entrepreneurship in a market economy.

## Royal Lunch

Congratulations to Mrs. White/Ms. Peterson's homeroom for earning the most spoons and having Royal Lunch on the stage during February!

## Dr. Seuss Trivia

Read Across America will be celebrated on Thursday, March 2! In honor of this yearly event, we have a Dr. Seuss trivia question.

From there to here

From here to there

Funny things are everywhere.

Do you know the title of the book in which the words listed above appear? If so, write your name, teacher, and the title of the book on a sheet of paper. The first name that's picked with the correct answer will win a special prize.

The drawing will be held on March 2, Dr. Seuss' birthday. **All interested third graders should submit their answer to Mrs. Mitchell by Wednesday morning.** Happy Trivia!
