Royal Lunch

Congratulations to Mrs. White/Ms. Peterson's homeroom for earning the most spoons and having Royal Lunch on the stage during March!

500 Milestone

Congratulations to Ms. Hotaling's homeroom, Ms. Johnson's homeroom, Mrs. Joyner's homeroom, and Mrs. Mitchell's homeroom for reaching the second Falcon Buck milestone! These classes have earned 500 Falcon Bucks!

Curriculum

Reading

- Students will determine the text structure of informational text.

Writing

- Students will continue to research carnivorous plants and work on information research paper.

Math

- Students will continue to explore a fraction as a number on the number line.
- Students will use models and number lines to find equivalent fractions.

Science

- Students will discuss the function of plant structures as it relates to the survival of plants in their environment and explain how environmental conditions determine how well plants survive and grow.

Poe Health Center trip

Our last off campus field trip to the Poe Health Center is coming on April 19, 2017. The cost of this field trip is \$5.00, and the money is due by April 7, 2017. Please make checks or money orders payable to Forestville Road Elementary.

Wake County Public School System offers the ability to collect money online for field trips. There is a 4% service charge for each transaction. Please use the following link to make online payments.

<http://osp.osmsinc.com/wakenc/>

If you are interested in being a chaperone on this trip, please contact your child's homeroom teacher. You must have filled out the online volunteer registration form and been approved.
