## Meet Mrs. Mitchell

[rpmitchell@wcpss.net](mailto:rpmitchell@wcpss.net)

Welcome to Third Grade! My name is Rhesia Mitchell, and I am delighted to have the opportunity to teach your child and help her/him grow academically.

This is my 25<sup>th</sup> year in education. I have had the pleasure of teaching kindergarten, second grade, and third grade. I have also tutored first, fourth, and fifth graders in reading and math.

My goal in teaching is to create meaningful experiences that will help the children develop socially, emotionally, and intellectually. I want the children to be life-long learners who see themselves as readers, writers, and problem solvers. I also want them to appreciate and respect the diversity among people. I'm looking forward to a great year!

Welcome back to a new school year! My name is Kelly Hotaling, and I am so excited to work and grow with your learner!

This is my second year teaching, and I am thrilled to have the opportunity. I recently moved from New York, where I received my Bachelors in General Education (B-6) and Students with Disabilities (B-6), as well as my Masters as a B-6 Literacy Specialist. I have experience teaching in first, third, and fourth grade classrooms, and have tutored students in kindergarten, first, and fifth grade in reading/writing.

I look forward to an amazing year with your third grader. I strongly believe that family involvement is crucial for student success, and I am excited to work with you throughout the school year!
