Hotaling/Mitchell's Extra Edition

Academics

A good portion of this week will be spent acclimating the students to the classroom procedures and expectations. We will participate in activities to help us get to know each other better.

In math, we'll work on addition, subtraction, and place value. In literacy, we will read for meaning and write to convey a message.

Marble Tablet

The marble tablet is used to record homework assignments. Your child should take the tablet home each night and bring back to school the next day. You are asked to sign your name daily (underneath the assignments) when your child has completed his/her assignments.

Ear buds/Headphones

We are asking parents to purchase "earbuds" or headphones to be used with the iPads and the computers. Purchased hearing devices will be used for your child only and will be kept in a personal bag for your child.

Weekly Folder

The green (Mrs. Mitchell) or blue (Ms. Hotaling) folder will serve as your child's Monday folder.

When we send home your child's folder, please remind her/him to return it the next school day since we might need to send it home another day during the week. Unless stated, please keep the work your child has done.

Box Tops for Education

Buy groceries and earn cash for our school---all at no additional cost to you! Clip "Box Tops" from hundreds of participating brands, send them to school, and watch Forestville Road earn money. Look at the "Box Tops for Education" sheet for the list of available products. Visit <http://www.boxtops4education.com/> for more information.

Water Bottles

Your child can bring a water bottle to school. If your child chooses to bring a water bottle, please only have water in the container.

Please cut out this section, fill out and return in your child's folder.

Child _____ Parent _____

I have received Ms. Hotaling/Mrs. Mitchell's Extra Edition for the week of August 29th.
