## Curriculum

A good portion of this week will be spent acclimating the students to the classroom procedures and expectations. We will participate in activities to help us get to know each other better as we build our classroom community.

In math, we'll work on addition, subtraction, and place value. We will read for meaning and write to convey a message in literacy.

## Volunteers

Please come to the school any time between now through October and register to be a volunteer! You must do this each year in order to go on field trips, volunteer in the classroom, or volunteer in the media center!

## Box Tops for Education

Buy groceries and earn cash for our school--- all at no additional cost to you! Clip "Box Tops" from hundreds of participating brands, send them to school, and watch Forestville Road earn money. Visit <http://www.boxtops4education.com/> for more information.
